Editorial Note:

You are about to begin to look, in retrospect, at the year 1983. This book, hopefully, will bring alive old memories and stir up old, forgotten emotions. I hope that this book is able to portray the spirit, the unity that exists in and makes Cathedral High School what it is, a place of friendship. Although our book may resemble some other books somewhat, although unintentionally, I believe it has its own destinctions that make it different from any book that has been done or will be done.

This book is something that everyone can have pride in. Alot of time has been spent on this book. Many people seem to think that a yearbook just magically appears one day every year. Weekends, vacations, and many hours after school were taken up working on this book. Much of this time was given up by myself, but there is one other person, in particular, that I would like to thank for his tremendous help. That person is Gus Ornelas, Assistant Editor in charge of layouts. Please try to remember all the hard work and sacrifice that went into the making of this book before you decide to criticize it.

Thanks to all the students who worked so hard to make our Ad Drive and this book such a success. I would like to extend a special congratulations to the Senior class, who not only brought in double their own goal but over half the total school goal. Thanks to our moderator, Mr. Amendola, and to my assistant editors, John Moreno and Gerardo Pachuca.

I hope you enjoy the book, I tried to make it as captivating as possible.

Sincerely,

Eric Sales

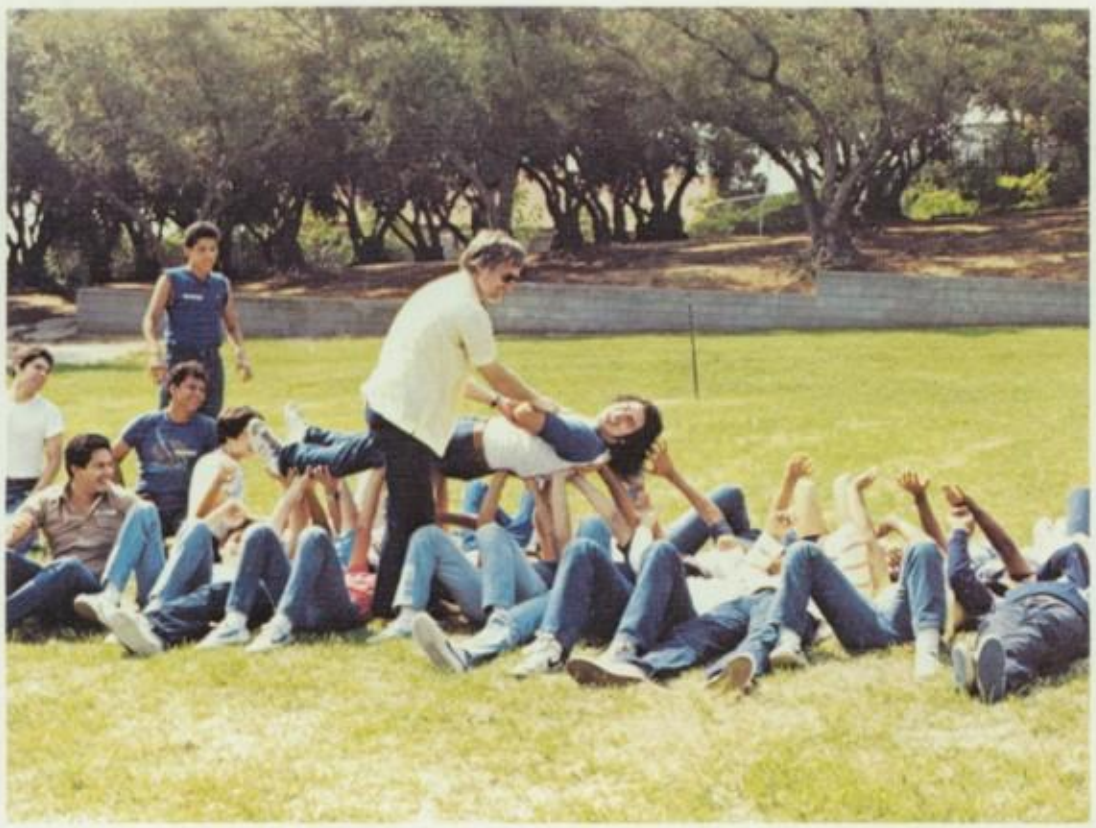
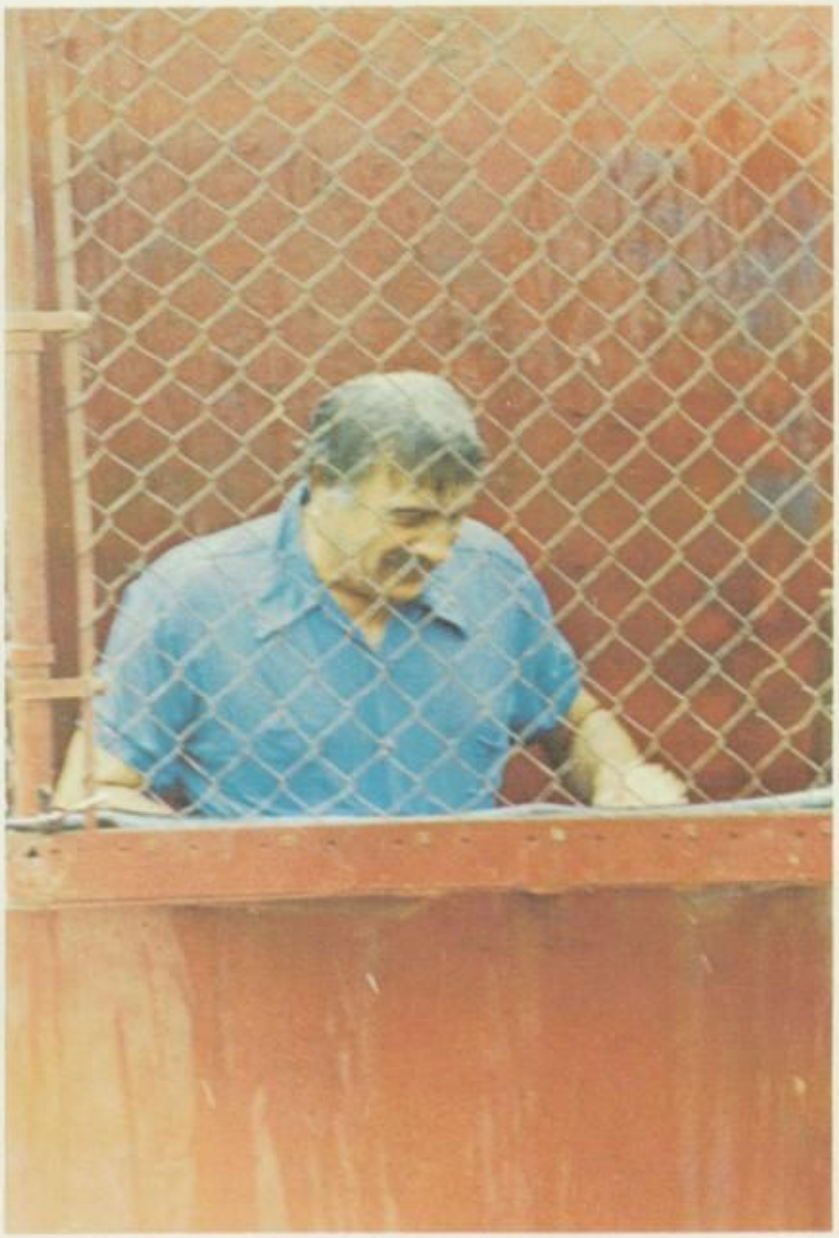
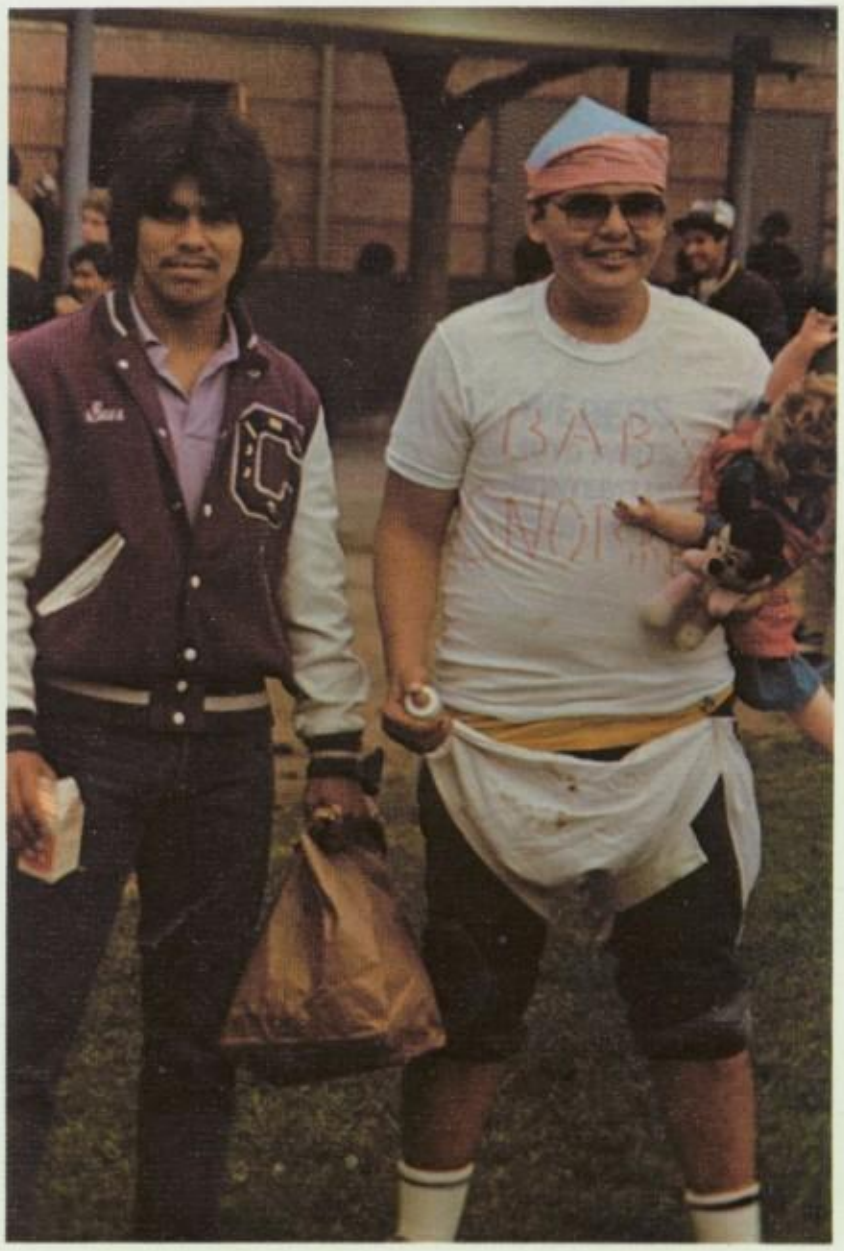
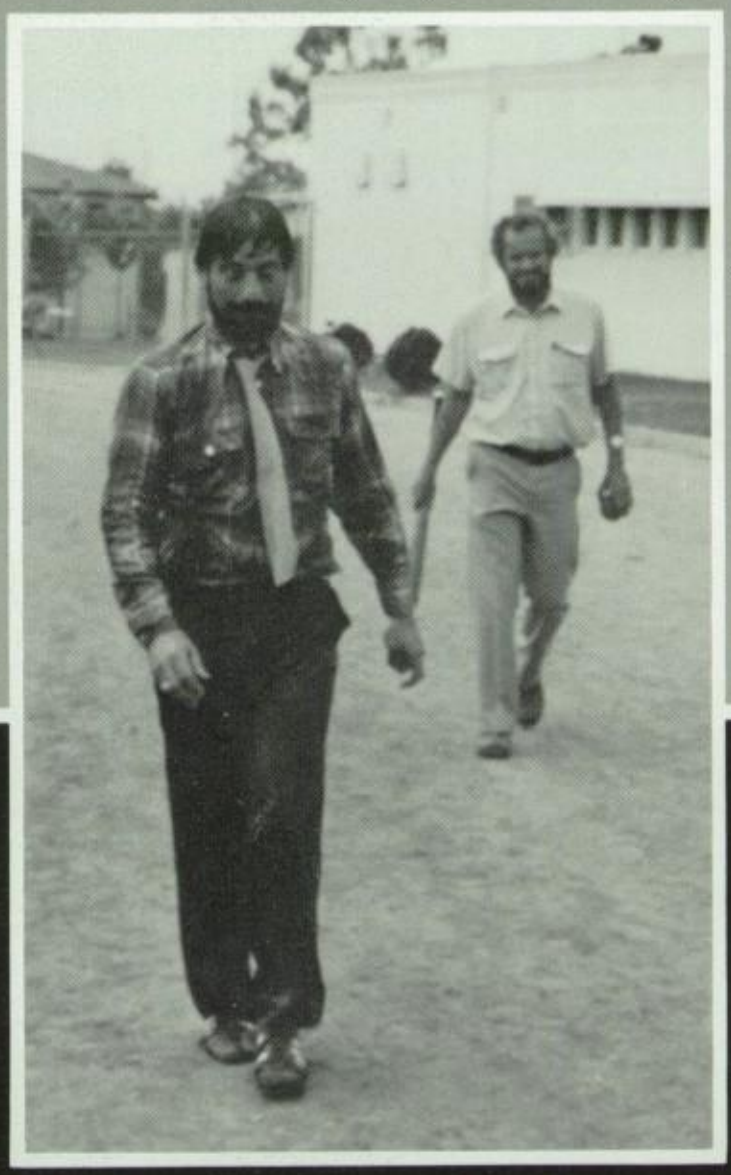
HAIL TO THE MIGHTY 83



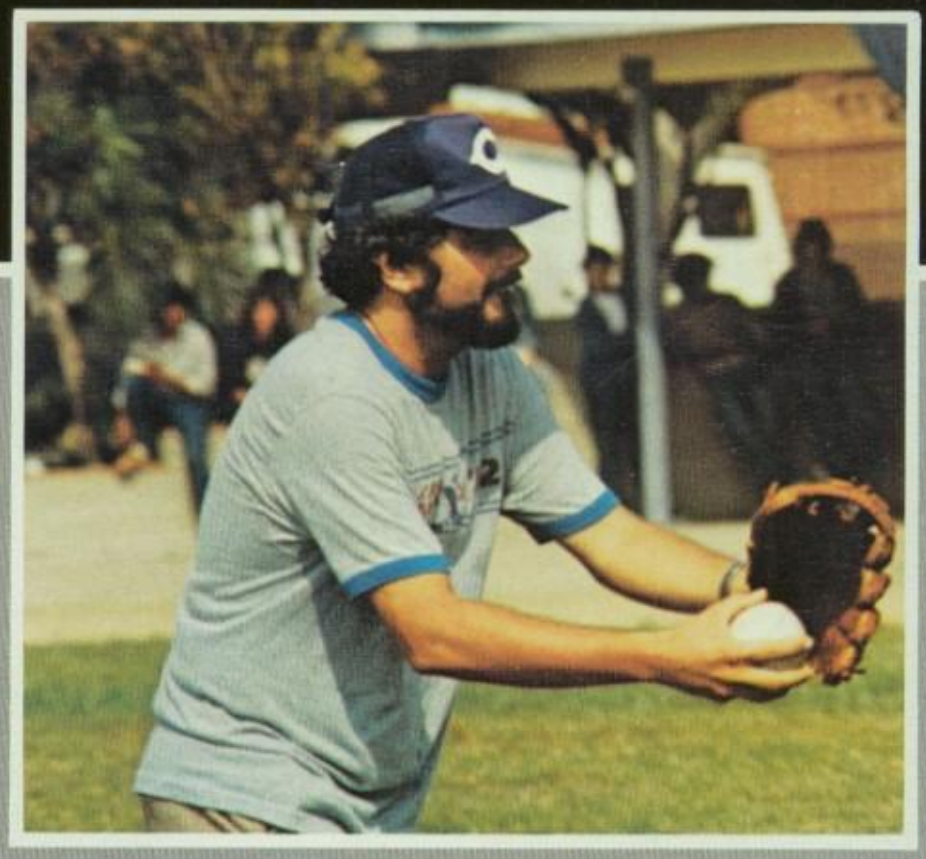




Frosh Week



This year the Senior class decided to make Frosh Week a more memorable event. Frosh Week became Frosh/Brotherhood Week. The week started off with the freshmen auction. The Frosh were later joined by the Seniors for a luncheon at the brother's residence. The week ended with the Frosh initiation and then a brotherhood mass. The Seniors and Frosh were then teamed together in field events against the Juniors and Sophomores. The week was enjoyed by all.



A Place For Learning, Laughing, & Friendship!

Cathedral has long been a place where friendship and caring have taken on a new meaning among high school students. Cathedral has a family environment. The faculty is caring and share a certain amount of close friendship with the students. Cathedral is a place that is very hard to leave and very easy to return to. Perhaps this is why many people have chosen to come to Cathedral. If not, maybe it's why they choose to stay.

TION

Two years ago a new teacher from the Philippines appeared on the Cathedral High School Campus.

Mrs. Salas, a quiet, cheerful teacher, is often seen going about her work at school. She is always very courteous to students. She is often worried about how students are coming along in their studies. She is always willing to help a student who is having some sort of difficulty.

Mrs. Salas is a very well educated person. She is chairperson of the Science Department here at school. We are glad that she is sharing her knowledge in science with the students here at Cathedral High School.

Thank you for sharing a part of yourself with the students at Cathedral High School. You are not a teacher that will be easily forgotton.

My most memorable years were spent at Cathedral High School. It seems as though only yesterday I was a freshman and today I'm a Senior. It was a long and hard road. I finally made it through this wet and slippery part of "life". Cathedral has got to be the hardest thing I have ever licked. I went in and out of class so idly. Still my intercourse with school showed me the importance of a good future. As I conform to society's insipid ideas, I would like to thank my parents, sister, the Brother, teachers, and all my friends. Here's to — "ME," Westwood, Yesterdays, Cafe Casino, Insanity, movies, Cafe Figaro, Flip, Camp Beverly Hills, The Plasmatics, Killer Pussy, Palm Springs, Sal V., Armando G., Tennis, and the Bonaventure. I learned more than my teachers know, for grades aren't a precise standard to measure all the things which make an educated person. Although I won't be able to keep all the friendships I've made, the four years we knew one another will always be remembered. My sincere thanks to those Christian Brothers who provided an example for me to follow. May their calling prove to be the right one for me also.

To whom it may concern, these past four years have gone by fast. During these years I have met many strange characters, I have had many fun times and funny moments in and out of classes. First year, as a Freshman, you're dazed and confused. You wonder whether you are in an institution for the mentally insane. Second year you find out that the teachers are so nice that they will cut a hand off for, especially if it's yours. Junior year everyone runs to the hills and into the clouds. The next day in class you find guys missing. You put them on the dead and buried list and go on with your work. Last year, you cruise in the last lap and all of a sudden, you smell smoke and stop to see what it is. You find out time is passing you by so you jump back in the race and when you finish, you look around for the smoke again. The best thing in C.H.S. is the daily tripping on campus. My class surnamed Jack the Ripper with my ipper always down, but I really like to clown around as if the Devil was in me.

My four years at Cathedral have been very memorable to me. I made many friends here who I party with, especially the homeboys: Frank R, Danny C, Danny M. Mateo R, and Bob F. Each year has gotten better, especially Junior and Senior years. I will always remember Cathedral and the good times I had here, such as, Prom night, outings, and Frosh week. It seemed like just yesterday I was a freshman during Frosh week. I would like to thank my Brothers and the faculty for the good education they gave me. I'd especially like to thank my parents for putting me through Cathedral, and for their love and support.

Actually I never learned and I still do that . . . I'm forgetting my point. Ah yes, time really flew by. I spent most of it hanging around Mando, Cesar, Johnny, Eric, and David (cheevy), and anyone else who had a moment to spare. Of course the yearbook ate up my weekends and vacations — but it was fun. The most rewarding experience was participating in track and cross country. I never felt the kind of accomplishments, joy and self-satisfaction that I experienced over the summer practicing with my friends. I won't forget the fascinating lights and sounds of Razee (whatever that means) or the piercing wit of the girating Mr. (pal) Fish. Because of this man, I now know the true meaning of "Putz." Not enough words can express my love and appreciation for my family, the Brothers, and this school. The hard work and pressure on leaving can only lead me to insanity or success and I hope for both. Basketball Varsity and J.V. 1; My ambitions: To succeed in life, which means doing and accomplishing whatever I'm out to do. My four years at Cathedral are the most remembering years of my life, mainly because in these years I had my downfalls and my partying times. My greatest times was on the weekends partying with Danny Mercado, Danny Calderon, Russell Gonzalez, Frank Rodreguez, Bob Flores, and sometimes Sergio tirado. Most of all those times that we had "fun" with our best friends from "Salesian". Also all my girlfriends that I had at Cathedral, especially Sherry and Kathy. Some of my best memories are, ring day, the day I got my class jacket, and the days I partyed with the guys mention above. I would also like to give special thanks to my parents which I love very much, for putting up through school, for understanding those times which I was in trouble.

The Brothers and faculty of C.H.S. are next; you are all great. Thanks to you, Mr. Balzano said something about goals — well, my goal is to have a goal, okay? Dances, the Prom, etc., fail to evoke the slightest hint of maudlin reminiscence on my part — I never went to a single one. I've no regrets, either, I'd use the rest of this space thanking numerous girlfriends for helping me through my years, but I never had a single one of them either.* Not at the time of this writing, anyway. So instead I'll thank the guys of the class of 1983. You are a great bunch, most of you. It was a good four years; I treasure my Cathedral experience. Gentlemen, it's been a pleasure. I close with a final quote; it best sums everything up: "Life is but a random occurance on the road to entropy." (Jonathan Fast.) From the first day till now, I've experienced the warmth and friendliness of the school. Now it's time to depart, but the memories still remain. Memories of togetherness, excitement, comradship, and especially partying. As a group we were inseperable. We went to parties, dances, outings, games, etc. Senior year was spent getting to know and grow with: Camel, Head, Snapper, Spiccoli, & Chuck. Each had their own little joke; fish lips, the syndrome, big head, and prom '82. The time is approaching when we will have to seperate and head our own different ways, but there'll be a time when once again we shall meet. The frosh team looked very impressive this year. The team first started with a championship at the Valley Christian tournament. Later they took second here at the Cathedral Frosh tournament.

During the preseason and the season, the team was lead by two outstanding players, George Barron and Eric Chapa. It seemed that they were also the team's high scorers.

Two other good scorers were forwards, Jose Acevedo and Martin Farfan. Enrique Mendoza, the team's center seemed to improve as the season progressed. The team as a whole showed much improvement. Their record was 8-2-0 and placed second in league.

Congratulations to the rest of the team members and to coach Steve Pinera for his second year here at Cathedral as a frosh coach.

There was "good news" and "bad news" regarding the 1982 Cathedral Cross Country team. The "bad news" was that the Varsity had a disappointing year; they finished 2-3 in the Sante Fe League and missed the CIF meet. The "good news" was that the JV's went undefeated and captured the league championship. Three freshmen — Mario Flores, Gonzalo Vincent, and Martin Farfan — led the team to victory. All three won medals at the league finals, and they should insure that future Phantom teams should be successful. The Varsity team was led by Ramon Rangel and William Hovermale. Varsity letters were awarded to the following: Ramon Rangel, William Hovermale, Cesar Cuevas, Gus Ornelas, Gabriel Guerrero, Oscar Leong, Ruben Ortega, Victor Medina, Mario Flores, Gonzalo Vincent, Martin Farfan and Raul Cabrales. JV letters went to George Barron, Jaime Vasquez, Eric Ortiz, Jose Ortiz, Alfred Martinez, Byron Monterroso, Fernandeo Ochoa, Peter Orona, Ben Rojas and Peter Torres.

Last year the F/S tied for the league championship and this year's team also appears to be very strong. Freshmen Mario Flores, Carlos Rodriguez, and Martin Farfan plus sophomores Hernan Arceo, Oscar Leong, Dave Galaz, Brian Garbalini, and Jerry Iniguez are the mainstays of the team. It should be another winning year.

Head Coach Bob Fish and Assistant Coaches Lou Parlapiano, Marty Hogue, and Brother Kevin Woods were all excited about the beginning of the Track season. With about 45 team members this year, the Phantoms will be able to field competitive teams at both the Varsity and Frosh/soph levels. The Varsity is led by Manuel Rodarte, who placed 5th last year in the CIF in the triple jump, Sal Narro, the school record holder in the F/S low hurdles, sprinter Sammy Coronado, and distance runners Ramon Rangel, Cesar Cuevas, and Gabriel Guerrero. Fausto Farfan, the Santa Fe League champion last year in the F/S triple jump, should also help the varsity, and Alan Gonzalez will be an asset in the shot put.

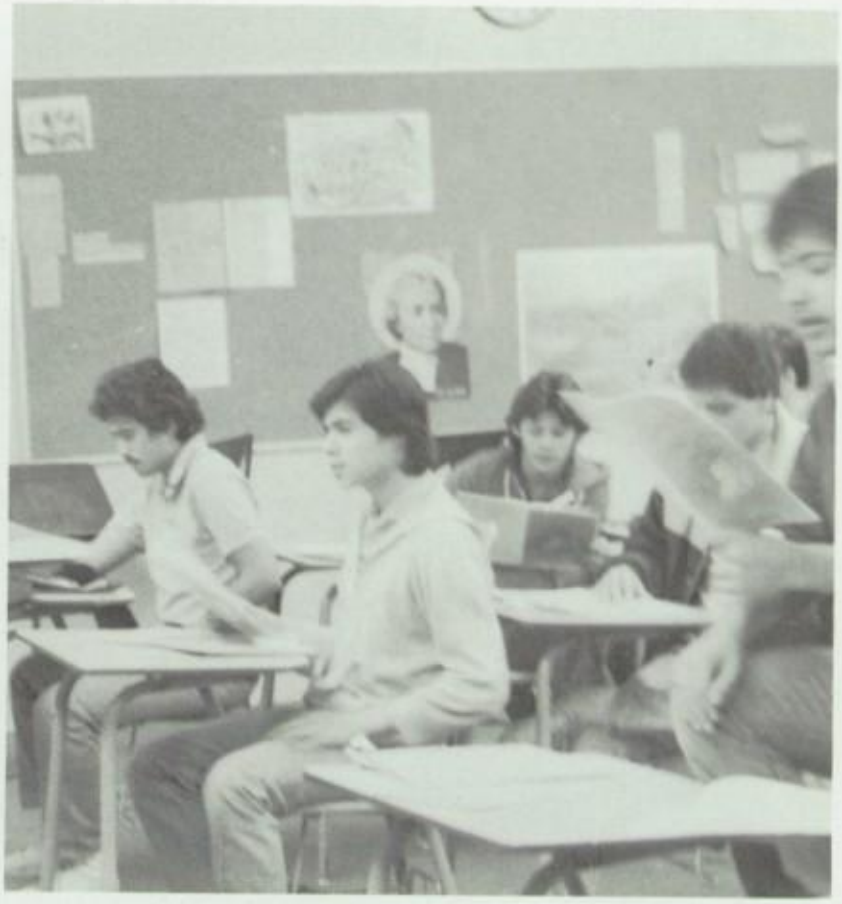
THE C.H.S. DRAMA CLUB PRESENTS: "FLOWERS FOR ALGERNON"

This year the Cathedral High School Drama Club presented "Flowers for Algernon." The Drama Club, like the Choir, Yearbook, and several other clubs, was a class this year. They met every Monday, Wednesday, and Friday morning as well as on their own time in order to assure a quality play. The cast was not only responsible for their acting but also for building sets, designing lighting, and anything else that was needed for their production.

The play was a great success this year. It was enjoyed by all. The play was produced this year by Angela Moran. Mrs. Moran has been producing the plays at Cathedral for the past six years under her former name of Ms. Angela Summers. Once again she showed her skill by putting out a fabulous play. We would like to extend our congratulations to all involved for a job well done.

CHOIR

Back, lt to rt.: Jaime Ballesteros, Sal Sanchez, Louie Amador, Jaime Martinez, ?, Al Delgado, Tony Zaragoza, Edgar Salas, Larry Corona, Abel Villasenor, Felipe Oliver, Mr. Romano; **Front:** Fabian Aragon, Gabriel Mena, Eric Sales, Hector Olivar, Mitchell Bernal, Art Ramirez, Albert Carrillo, Gus Ornelas, Mario Acevedo, Frank Sanchez, Alex Perez, Jose Nava, & two freshmen.



The Cathedral High School Choir, which was started up again about two years ago, did not come into full swing until last year when it was made into a class with Br. Martin as Director. It performed at Ramona Convent, with their girls choir, at St. Vibiana's Cathedral for the Spring Concert, and at several other school functions. This year, it was handed over to Mr. Romano, who has joined the choir with the girls of Sacred Heart of Jesus High School for several performances. The Choir has also performed on its own at school functions and is planning for another Spring Concert which will join the Cathedral, Ramona, and Sacred Heart of Jesus High School choirs. Mr. Romano, who is new to Cathedral High School is helped still by Br. Martin, who is in residence and going to school. The Choir will hopefully grow to do more and more performances. It is now made up of about 26 members, most of which are Seniors and Juniors. Hopefully the underclassmen won't let this wonderful group die out as had happened before.

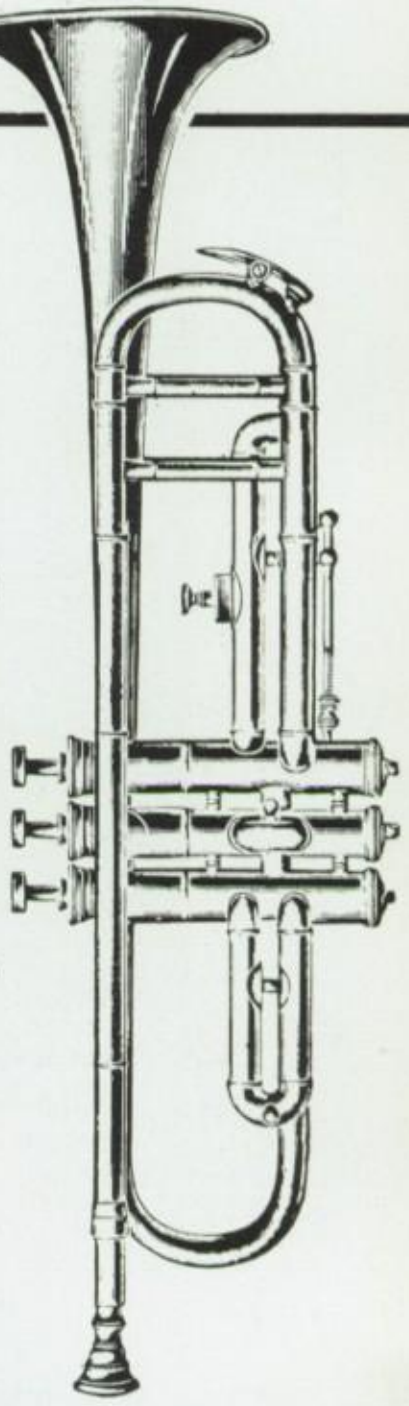
CATHEDRAL HIGH SCHOOL BAND



Last year the band was revived as a class at Cathedral. It started out with rather primative sounding music, but has been improving as the members become more acquainted with their instruments. The band is led and taught by Miss Margaret Barto, who joined the Cathedral family last year. The band has played at football games, masses, and at the Spring Concert, which was also revived last year. The members, or at least most of them, started without knowing a thing about music and have been improving so they actually play relatively well for beginners. They deserve a lot of credit for their ever increasing quality of performance. The class was only open to underclassmen and as the years go on these performers will continue to improve so that when new members start there will already be quite a few performers who have had experience in the playing of their instruments.

A few years ago, a small group of students with very large imaginations got together and formed a club. The members of this club sat around, looking rather strange to those who chanced to see them, and played a rather unusual game. It had no game board, rather, it was played in the mind. The students in this club could sit around for long periods of time and wander into a fantasy world of wizards, dragons, treasure, magic, and many other strange and delightful things. The name of this club? Why Dungeons and Dragons of course.

This year's MECHA was no less spirited than past MECHA clubs. The club started off the year by sponsoring intramurals at school. The club was also able to set up an outing with a girl's school. One of these outings was with Sacred Heart of Jesus in September and another was with the MECHA club at San Gabriel Mission High School in February. The club also showed its Christian spirit by helping out in the Thanksgiving Food Drive and by planning for a Skid Row Children's Day. The play portraying the plight of Mexican/Americans in today's society, was again put on by the club and was enjoyed by all. Finally, the club sponsored an art contest in May. The club once again provided for much of the year's exciting activities.

The Circle "C" has had a proud tradition of service since 1954. It is a dedicated group of sixty Phantoms which sees to the order of the campus during lunch, at rallies and assemblies, during Frosh Open House, and at the fall Parent-Teacher night. It gives to the students a sense of pride in serving their school — our Christian community. Also, such service gives the members the meaning of responsibility. Finally, the members are dedicated and generous — major hallmarks of the Circle "C".

Classic Block Cee Showmanship

The Varsity Lettermen Society at Cathedral High School plays a vital role in the "behind the scenes" work during school athletic and ceremonial events. In many ways they are the National Guard of Cathedral. They are most noticeable during football games where their job is to maintain order and keep things running smoothly. They may be seen watching the gates, directing traffic, selling tickets, and, occasionally, helping in the clean up and set up at school assemblies. The club also has the exculsive duty in ushering in the Homecoming court. Mr. Gary Bertolone is the moderator this year and hopes to transform the Block Cee into the strongest club on campus.

This year's Rally Club was unlike any other Rally Club in the history of Cathedral High School. Starting from scratch, president Mike Pinon and vice president Robert Villagomez embarked on a mass recruiting mission in order to assemble the crazy characters of the school. Once having formed the nucleus, high expectations were set. The rallies were extraordinarily creative and unpredictable. After making Vic Balzano (Don Vito) and Bro. Phil (Chuck Norris) into stars, they tried their best with Fergie, it just was not meant to be. Nevertheless, rallies were enjoyed by all, faculty and students.

Their constant support was evident as they showed their pride and spirit at football games and also for their fellow basketball rally members Avila[2], Oscar Leong, and Robert Villagomez. Hardcore members were also working after school making posters for the games.

These same hardcore members sponsored various activities which were beneficial to the students all over. Such activities as the Toys for Tots alive, Pizza night, and take it to the snow in June were among the favorites.

Seniors Mike Pinon and Robert Villagomez have sown the seeds of the future and wish the rally members of '85 to carry on the tradition set down by this year's RALLY CLUB 82/83.

WESTERN ASSOCIATION OF SCHOOLS AND COLLEGES

Every ten years Cathedral High School must be evaluated to see if it will be allowed to become a member of the Western Association of Schools. This year was the year for Cathedral to be reevaluated for membership. A group of students, on their own time, volunteered to help in the evaluation procedure. They went over the philosophy of the school from a students point of view. It was their job to evaluate different aspects of school life, school activities, and extra-curricular activities.

COUNSELORS

The Counseling Department has re-organized this year with Br. Robb as Director of Counseling and as a personal counselor. Mr. L. Parlapiano, replacing Mr. Higgins, has become the career counselor. Finally, Mr. J. Amendola has replaced Br. Donald as college counselor. For the first time academic counselors have been given a free period for counseling allowing more students to be seen than had been in the past. A major accomplishment of the department this year was organizing a career day with representatives from business, industry, and the professions. They were also able to use group and peer counseling methods this year.

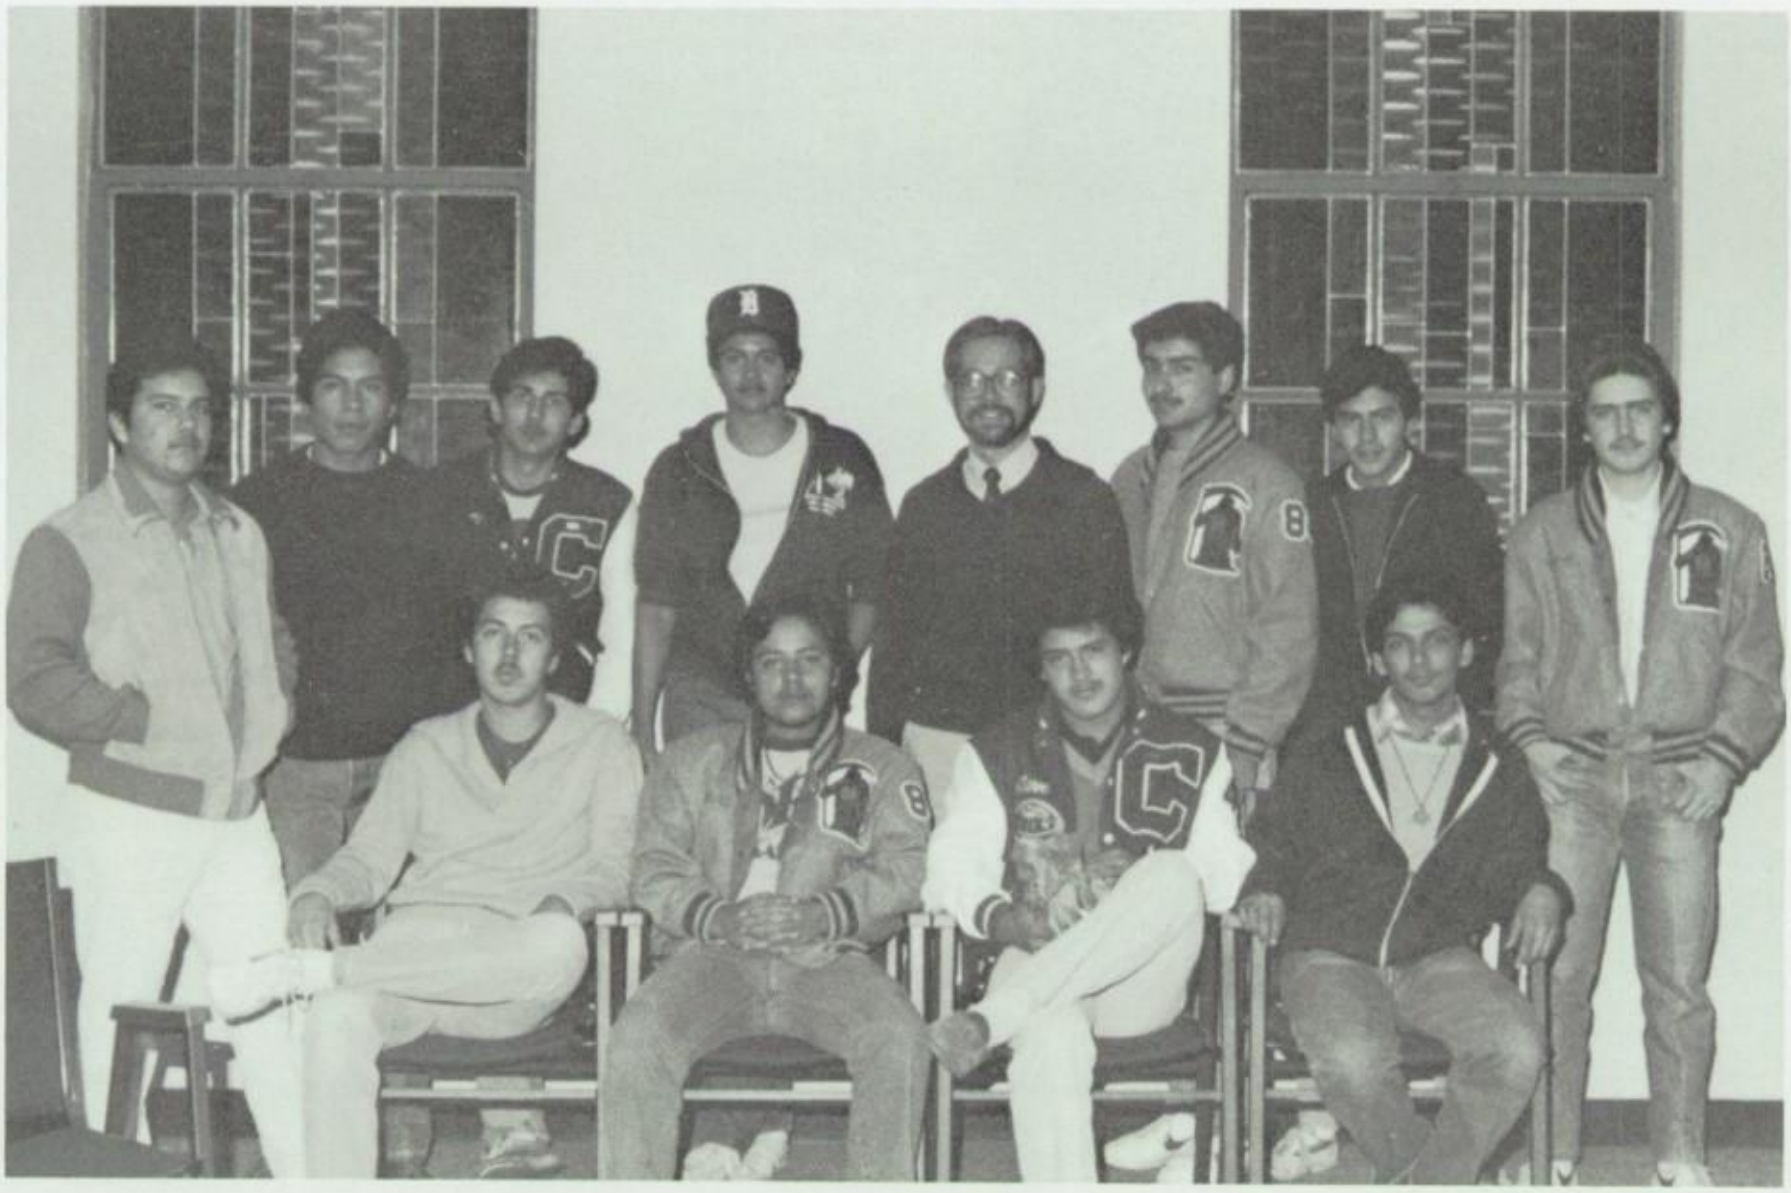
PEER COUNSELING CLUB

Lt. to Rt.: Tony Zaragoza, Sal Sanchez, Jaime Martinez, Gabriel Guerrero, Fabian Aragon, Carlos Penilla, Martin Gutierrez, & Steve Lucero.

The Peer Counseling Club was newly formed this year. It was set up by Br. Robb, Head of the Counseling Department, to get students involved in helping one another. Their major accomplishment this year was setting up a tutoring center. In this program various club members would stay after school and tutor any student desiring help in certain subject areas. This venture was very successful and soon teachers were referring students needing extra help to the center. The members of this club and Br. Robb deserve a lot of credit for the setting up and successfulness of the club.

RETREAT COMMITTEE



2nd Row: Rudy Villalobos, Frank Sanchez, Greg Lizarde, Jaime Martinez, Br. Robb, Ralph Hernandez, Mario Betancourt, George Villalobos, **1st Row:** Carlos Penilla, Jose Nava, Steve Lucero, & Fabian Aragon.

Another club set up this year by Br. Robb was the Retreat Committee. The club consisted of Juniors and Seniors who had gone on retreats. Their job was to help set up retreats that would be a meaningful experience for those involved. They were also involved in any work that needed to be done on the retreats. This club also brought a spirit of unity among the students of different classes. They worked together to create a retreat for others, not for themselves. They received satisfaction not from the retreat itself, but in creating the event that might mean so much to others.

CHRISTIAN ACTION

2nd Row: lt to rt, Tim Daniels, Jaime Martinez (Treas.), Mike Pinon, Jose Chin, Br. Robb (Moderator), **1st Row:** Hector Olivar, Samuel Limtao, Fabian Aragon (Pres.), Ray Vasquez, Jarrod Sithar. **Not Shown:** Robert Garcia (V.P.), Philip Perez (Sec.), Luis Amador, Felipe Aquino, Mitchell Bernal, Jose Mendivil, & Felipe Olivar.

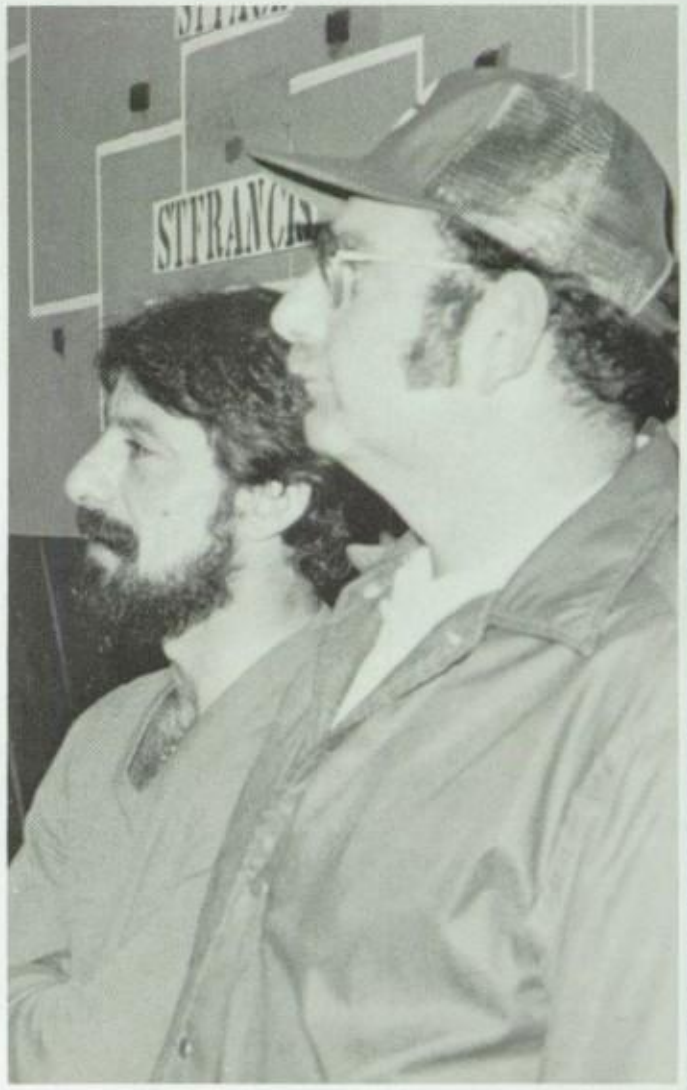
This year the Christian Action club was introduced to a new moderator, Br. Robb Wallace. Thanks to its dedicated members, the club had a very successful year. The members were ready for a very productive year. The club sponsored such activities as the Thanksgiving Food Drive, the Annual Blood Drive, the Lenten Service, and various other helpful events. This year the Thanksgiving Food Drive, organized by President Fabian Aragon, raised $419.83 and a large amount of non-perishable foods to feed 40 needy families (the largest amount ever). The Blood Drive on December 3rd. recruited 70 volunteers from which 53 pints of blood were accepted. Another Blood Drive was planned for April 18th. The club will lose some of its most valuable Senior members this year, but the continuing members will, hopefully, be able to continue the goals of the club and recruit more members to aid in reaching those goals.

PARENTS CLUB

The Parents Club is a major help in the running of the school. Every year parents come together, elect representatives, and plan social and fund raising events for the coming year. One of their major social events is the Family Picnic. The club also puts on several dances and turn over the procedes to the Brothers to do with as they see the need for it. Another fund raising event is the several raffles they have throughout the year. The parents come together, elect representatives, and plan social and fund

BOOSTERS CLUB

This year, as in the past, the Boosters helped to raise much needed money for the athletic program at Cathedral. The Boosters Club is made up of parents, relatives, and friends at Cathedral. The Boosters sell tickets to athletic events, they sell programs, and run the concession stand at the athletic events at school. The Boosters make it possible for the athletic department to keep running. For this, the entire CHS student body wishes to thank them. Some of the Working Members are Manuel Ramirez — Pres., Pete Mercado — V.P., Norma Ramirez — Sec., Albert Reyes — Treas., Frank Puglisi, Gloria Zuletta, Bertha Calderon, Archie Calderon, Sal & Maria Sanchez, Pauline Reyes, Julio & Avelina Gutierrez, Frank Pastor, Bob Boler, Soledad Perez, Mike Candelaria, Ofelia Rodarte, Javier & Eva Alvarado, Sam Saavedra, Manny & Mary Palacio, & Bob Fish — Moderator. Thank you all for your hard work.



ALUMNI ASSOC.

Along with the Boosters and Parents Clubs, the Alumni Association is a major financial contributer to the school. The men, all graduates of Cathedral High School, gather together at Mr. Balzano's house, their moderator, and discuss plans for raising money in the future. Some of these plans include raffles and evenings or afternoons out. A very popular event each year is "A Day at the Races." Another event looked forward to and very successful is a boat cruise. All money raised from these events are given to needy students wishing to come to Cathedral in the form of scholarships. Some of the people who have really worked hard over the years have been Br. James '61 (Former moderator), Ernie Dominguez '53, Henry Garcia '54, Antonio Sales '54, Ernie Navar '52, Ray Meza '54, Ernie Lucero '53, Gary Bertolone '73, Joe Quinones '72, and Louis Ayala. (Thanks to Mr. Balzano for the names and dates.)

Another institution that was recently revived at Cathedral was the Chimes Newspaper. The Staff met as a class every Monday, Wednesday, and Friday morning. During class they went over assignments and discussed what articles should go into the next addition. The editor, David Lara, had a tough time starting the newspaper over again from scratch. He had a lot of help, though, from his moderator, Mr. James Amendola. The first few issues were a little rough but they started to improve a little as they learned from their mistakes. The paper was at first typed by hand and run off on the copy machine. Later the staff was allowed to use the new school computer to type up their articles. The paper was able to produce a few controversial articles and even stirred up some resentment with their Spook Speaks column, a sort of gossip article about people around campus.

This year, the yearbook became a class. This was an interesting experience for the editors, since it created more work for them. The class, as a whole, had absolutely no creativity. The Editors were forced to do most of their work over and over again or turn in work that had no quality whatsoever. Most of the work was done this year by Eric Sales, Gus Ornelas, & Jose Enriquez. This book, after many weekends & vacations, is a very high quality one. It is hoped that all will enjoy and be proud of this book.

Domenic Puglisi

After 13 years of being a coach, teacher, counsellor, moderator and administrator, Mr. Domenic Puglisi has decided to move on. This event is not so special as it is a sad one. For Mr. Puglisi is like a precious jewel slipping through the clutches of our family here at Cathedral.

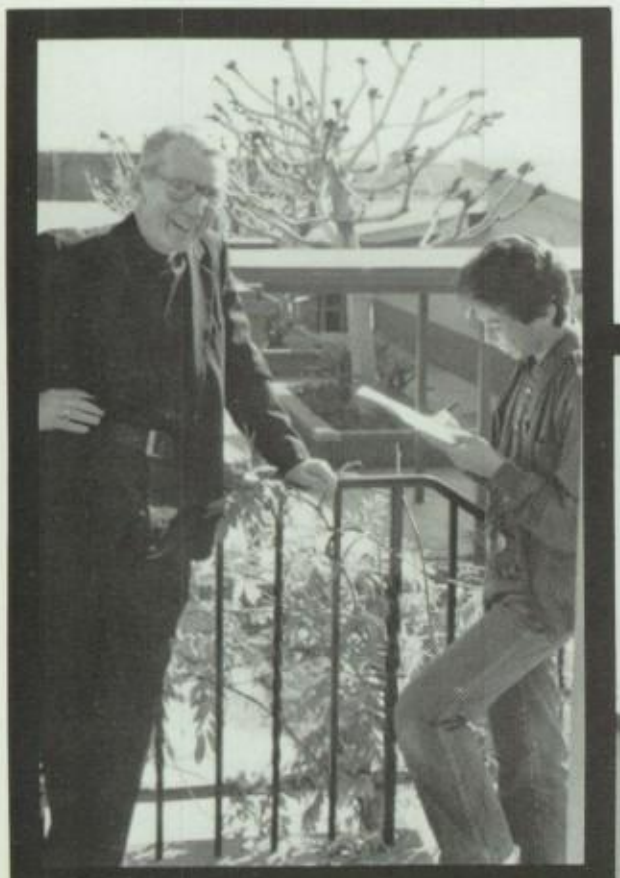
AC.H.S. graduate of the class of '66, our vice principal bleeds Purple and White and works long and hard to keep his Alma Mater at a level of excellence. He is truly a major part of the torch that keeps the Cathedral fire burning today.

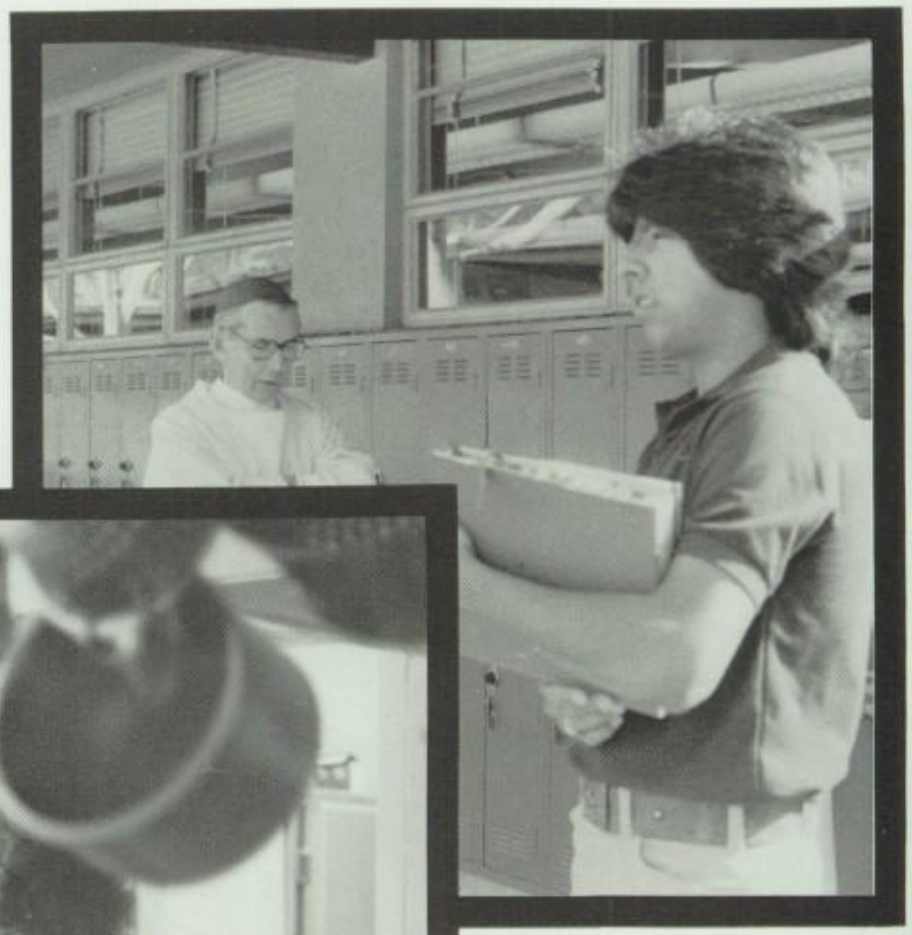
The first traits a student recognizes of Mr. Puglisi is his high motivation, accompanied by a deafening clarion voice. His concern for students stretches far beyond that of a drop in grades or a lack of completed homework assignments. He's always relaxed and his character is informal accompanied by a good sense of humor.

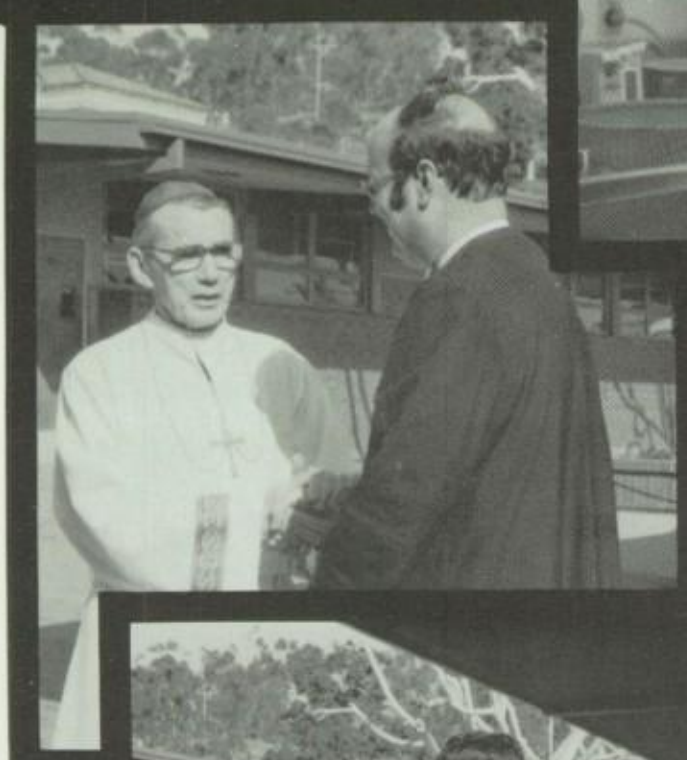
Students hold a high esteem for him, not only because he's a strong and disciplined leader, but because he **works with us** and is compassionate. His company is enjoyable, not unlike a father figure.

The senior class wholeheartedly thanks you, Mr. Puglisi, for uniting, strengthening, and guiding us and for being the good Christian model that you are. We ask the Father to take care and guide you wherever you fare.

OUR LADY OF GUADALUPE MASS







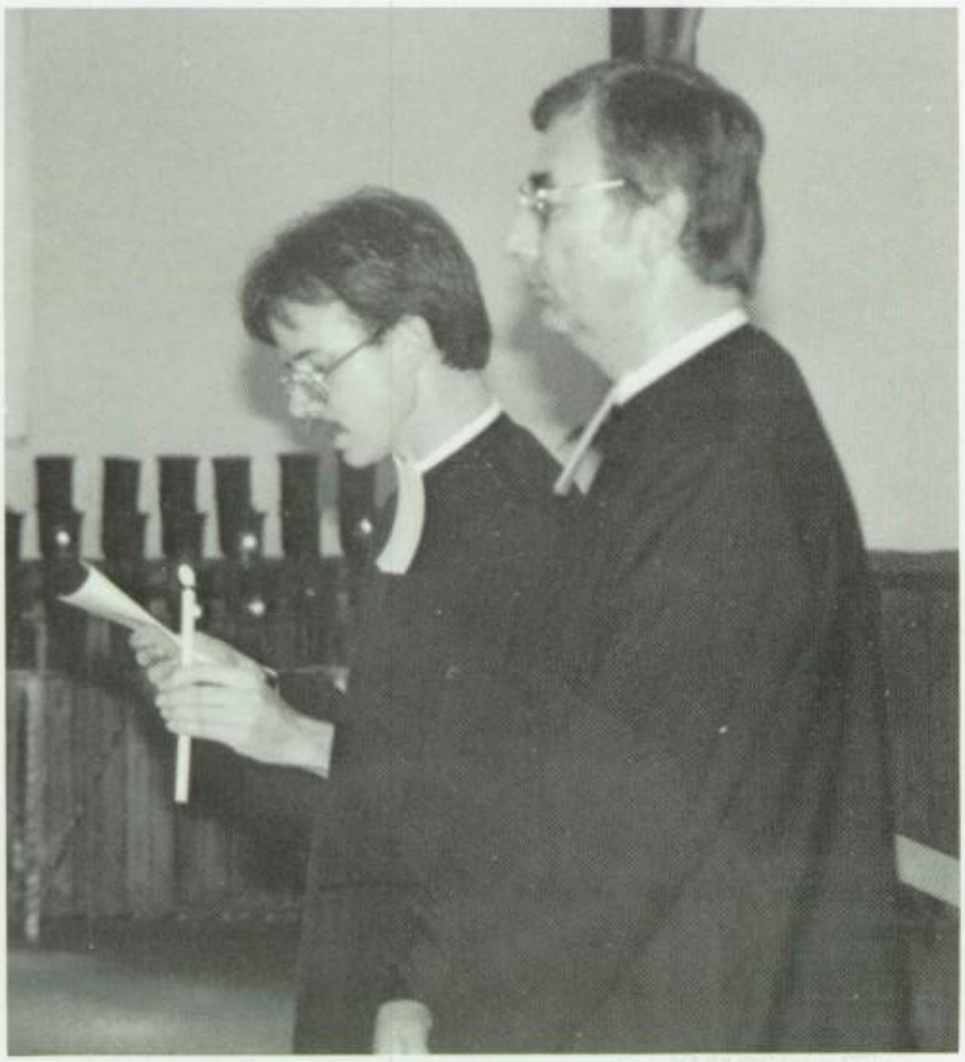
Once again the Feast of Our Lady was a memorable event. The mass was said by His Emminence Cardinal Manning. His coming to share in this special event every year is looked forward to each year. The Cardinal was again as impressed with the students as they were with him. After the mass the Cardinal stayed about the campus to meet students and then went to the Brother's Residence for a luncheon. The luncheon was attended by faculty and several student body members. The occasion was thoroughly enjoyed by all.

THANKSGIVING MASS

One of the most looked forward to celebrations of the year was the Thanksgiving Mass. The entire Cathedral family came together to give thanks for what God had provided them with. Music was provided by the Guitar Class and the Band. The Choir also lent their voices. The Cathedral Choir was joined by the Choir of Sacred Heart of Jesus. After this event, the money and food collected was distributed to 40 needy families. This was distributed by the Christian Action and MECHA clubs. The students showed their thankfulness by sharing what they had with the more needy of the area.

BRO. LAWRENCE

Takes final vows



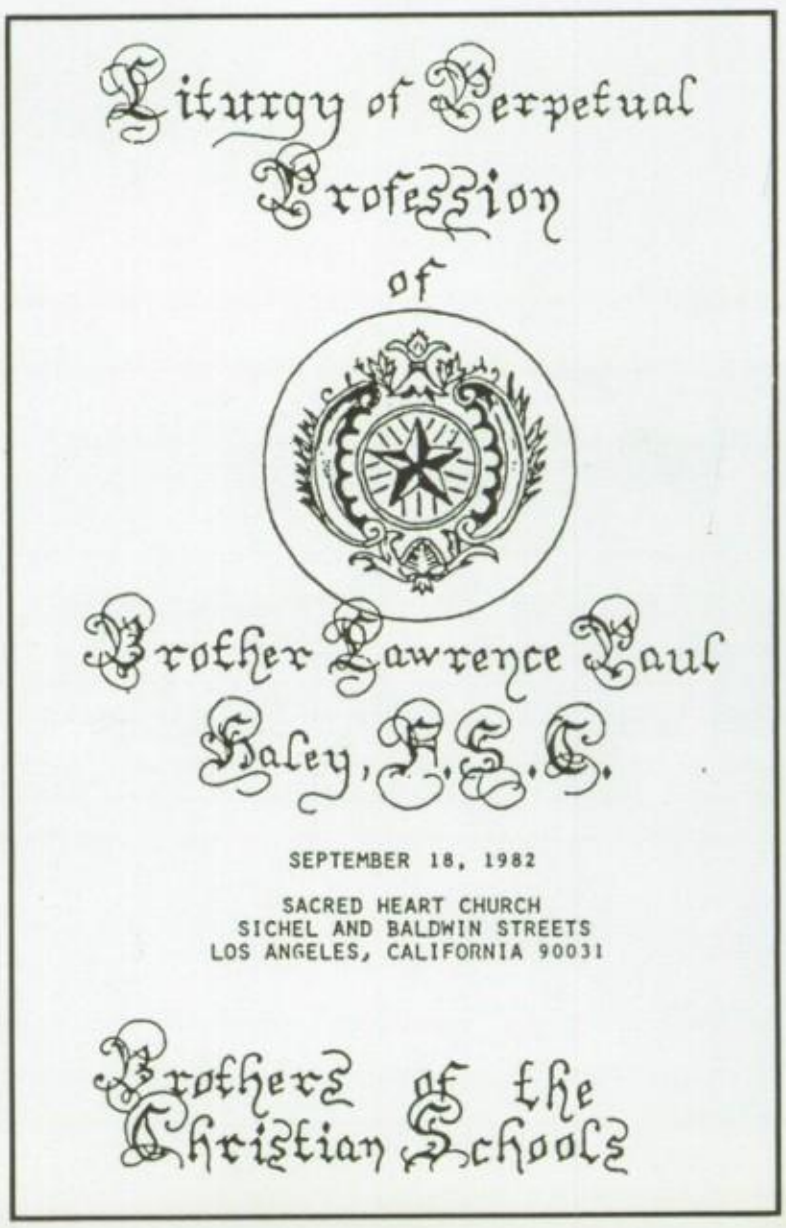
FATHER: Brother Lawrence, what do you ask of God and of his Church?

Bro. Lawrence: I ask that I may persevere until death in the Lord's service and in the institute of the Brothers of the Christian schools.

This year, on September 18, 1982, Brother Lawrence Haley made his final vows to the Christian Brothers. He made up his mind to commit himself to the more than 300 year tradition of teaching excellence of the Christian Brothers.

Brother Lawrence received his vows at Sacred Heart of Jesus Church in Los Angeles. A mass was held and was attended by Brothers, Faculty, and some students. Some familiar faces showed up, like Brothers De Sales and Patrick, to help Brother Lawrence celebrate this special event. Brother's family also showed up.

After the mass, a reception was held at Cathedral High School in the cafeteria. This event was enjoyed by all and Brother Lawrence seemed to be having an exceptionally good time. Bernard Urtecho, student body president, gave a speech and Br. Lawrence received many congratulatory gifts. The Chimes Yearbook Staff extends its congratulations and best wishes to Brother Lawrence for a long and happy life with the Brothers of the Christian Schools.



FAMILY PICNIC

The Family Picnic has always been a time for the Cathedral family to come together and have a good time. This year was no different. The brothers, faculty, students, and their families joined together for a mass and then for the fun that followed at the picnic in Elysian Park. It was another picnic that was enjoyed by all involved. Old friends were met and some new friends were made. Old and young thoroughly enjoyed the excitement and at the end of the day, sadly departed.

Our New CHAPEL

Late this year, thanks to Dr. Julio Torres a graduate of Cathedral, the school received a new Chapel. Formerly prayer services were held in the Library or at the Chapel in the Brother's residence. Construction was started in late 1982 but the facility wasn't really in full use until this year. The Chapel also contains the office of popular school counselor, Br. Robb Wallace. A new office for the school chaplain was also installed on the outside of the Chapel.

The Chapel almost suffered great damage, but thanks to the L.A. County Fire Department the Chapel only received a slight drenching. All this was due to a fire caused by Br. Robert in the Chemistry Lab above the Chapel (please don't mention this to Brother). The student body is delighted with this long awaited addition to the school and vows to make good use of it.

Special thanks to Mr. Higgins, a former C.H.S. teacher, for his contribution of the stained glass windows.

Mr. Nowlin's art class mural.

A gift from the class of '82.

W.A.S.C. Accreditation

When in 1923, John J. Cantwell wished to open a Catholic Boys' High, Father George Donohoe of Sacred Heart parish in Lincoln Heights was willing to provide for this promising endeavor. His excellency applied to the Superior General of the Christian Brothers and received four teachers on September 11, 1923, one hundred boys from the seventh to ninth grade entered "Christian Brothers School" with Brother Glastian Philip as principal.

In 1925, twenty acres of Calvary Cemetery at Bishop Road and North Broadway was purchased and converted into a school structure capable of caring for 450 students. Monsignor George Donohoe supervised the completion of the school which became the first archdiocesan sponsored of the new School: "Phantoms" the nick-name because of the connection with cemetery grounds.

Bishop Cantwell dedicated the building on October 18, 1925. A full four-year academic program was installed by 1927. A new building was completed on December 1931 and called the "Senior Building." The gym was constructed in 1940 and the industrial arts unit, "Technical Annex" was opened by November, 1949. The destruction of the originial began in 1959 and the completion of the new structure and renovation of the remaining building was completed and dedicated in 1963. His Excellency Bishop Timothy Manning presided at the dedication on April 24, 1963.

The growth of the school from 1925 to the present has been from four teachers to thirty, and from one hundred students to five hundred fifty.

Cathedral High School is accredited by the University of California, affiliated with St. Mary's College of California, the Catholic University of America, and has always been a charter member of the Western Association of Schools and Colleges and the Western Catholic Educational Association. In 1983 Cathedral High School again received full accreditation by the Western Association of Schools and Colleges.

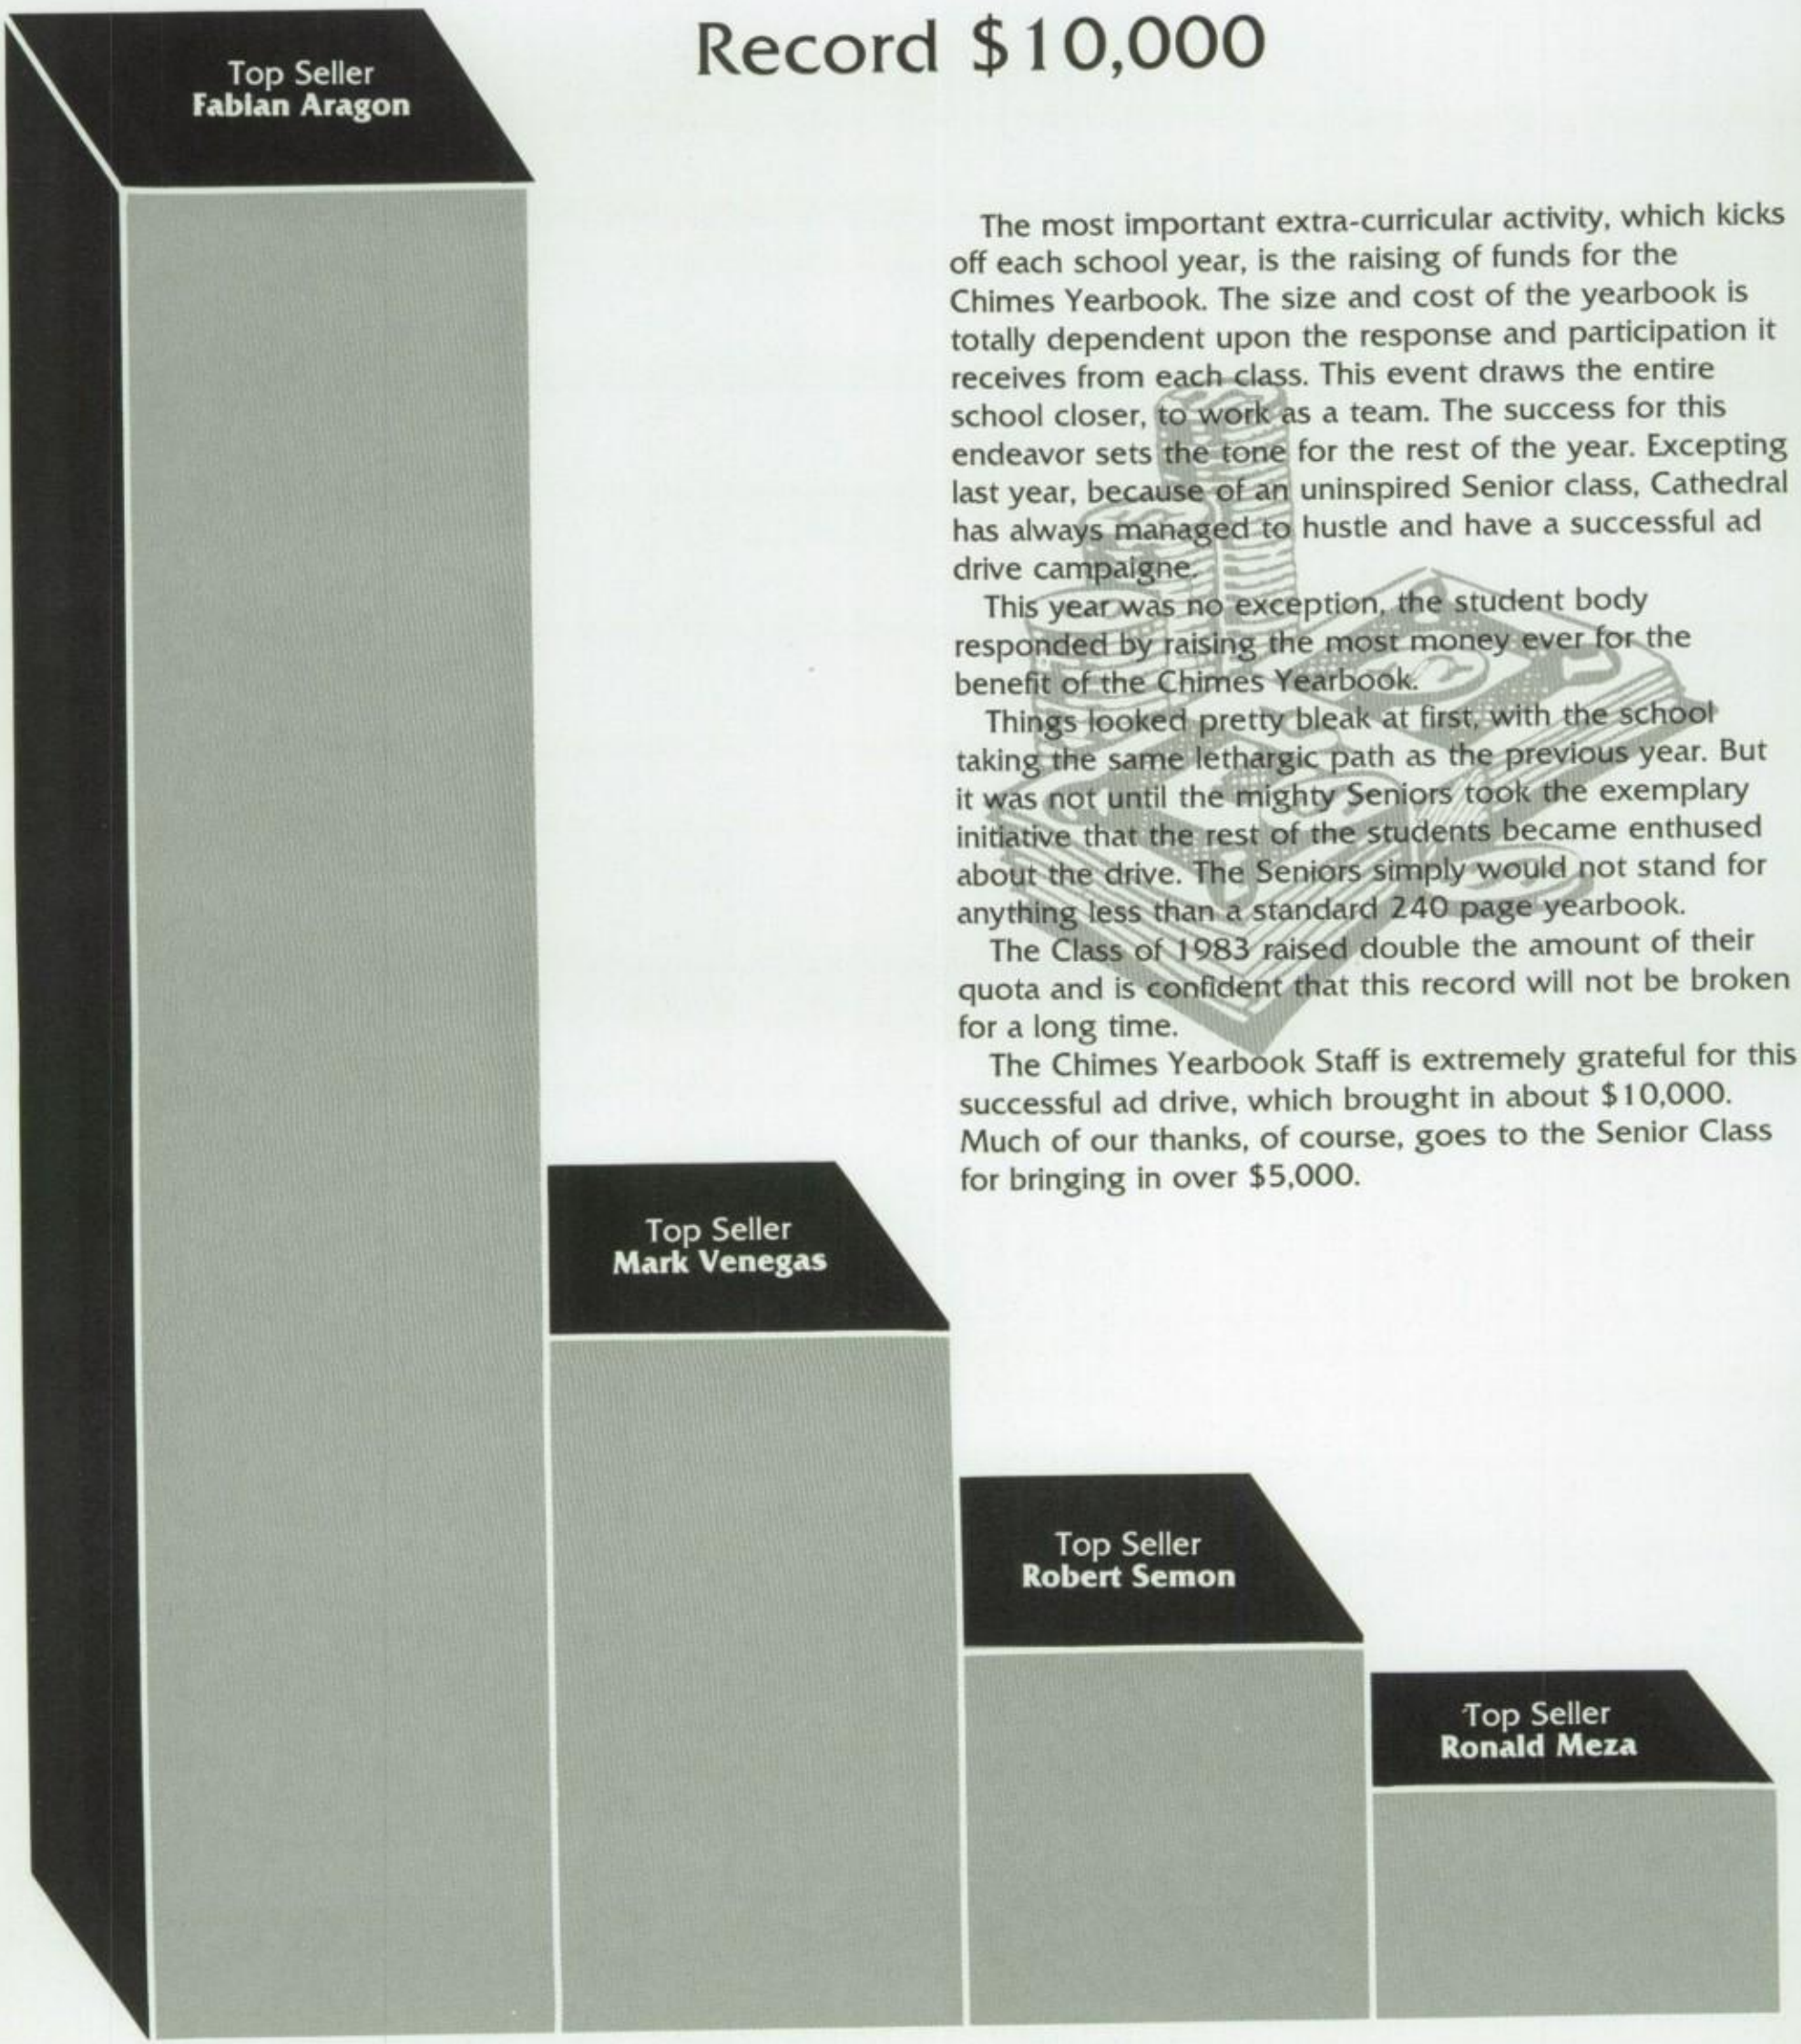
Yearbook Ad Drive

Record $10,000



The most important extra-curricular activity, which kicks off each school year, is the raising of funds for the Chimes Yearbook. The size and cost of the yearbook is totally dependent upon the response and participation it receives from each class. This event draws the entire school closer, to work as a team. The success for this endeavor sets the tone for the rest of the year. Excepting last year, because of an uninspired Senior class, Cathedral has always managed to hustle and have a successful ad drive campaigne.

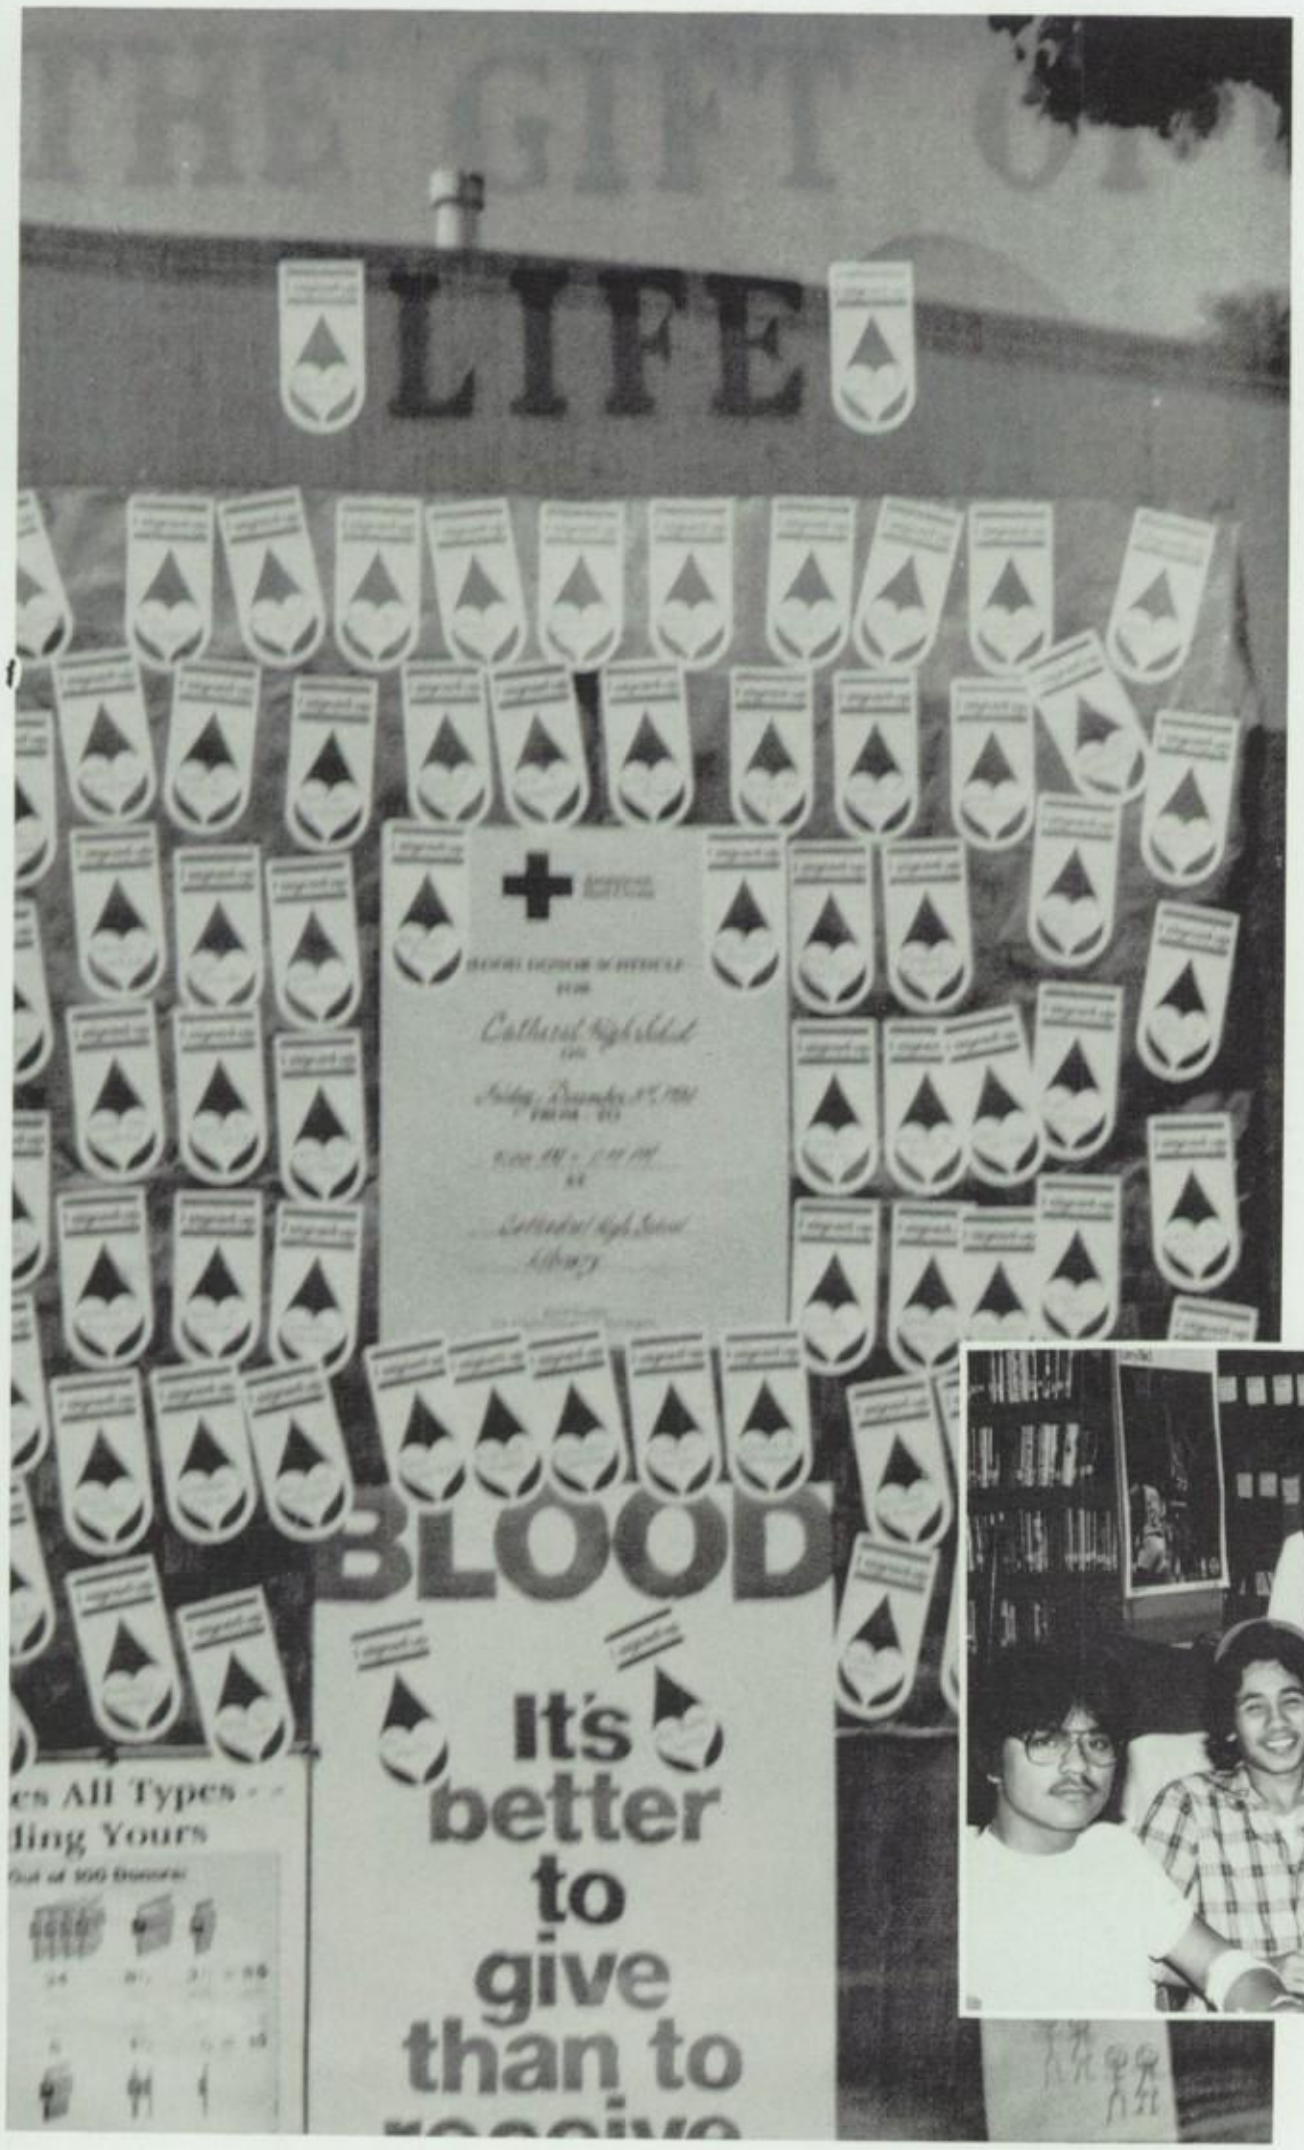
This year was no exception, the student body responded by raising the most money ever for the benefit of the Chimes Yearbook.

Things looked pretty bleak at first, with the school taking the same lethargic path as the previous year. But it was not until the mighty Seniors took the exemplary initiative that the rest of the students became enthused about the drive. The Seniors simply would not stand for anything less than a standard 240 page yearbook.

The Class of 1983 raised double the amount of their quota and is confident that this record will not be broken for a long time.

The Chimes Yearbook Staff is extremely grateful for this successful ad drive, which brought in about $10,000. Much of our thanks, of course, goes to the Senior Class for bringing in over $5,000.

BLOOD DRIVE



American Red Cross

Once again the student body of Cathedral High School showed their Christian spirit by physically giving of themselves. They did this by their donation of blood. This year there were "70" volunteers from which "53" pints of blood were accepted. This was received at the Blood Drive held on December 3. Another Drive is planned for April 18. This drive, hopefully, will be even more successful then the previous one. Christian Action this year, as in the past, sponsored the Blood Drives. The Red Cross has always been grateful for the much needed, life-saving donation. The students don't receive anything except self-satisfaction in knowing that their donation will be used to save lives (and a few cookies and orange juice). These donors are to be congratulated by all.

DANCES

Students who are looking for relief from the school atmosphere can find it at the dances. The dances are a way to meet girls and have a generally good time. In the absence of a dance committee, dances were put on by various clubs & classes. People were especially excited about the Homecoming dance. Another dance which was very successful was "A Night of Dancin'." After more than a week of heavy rains, people were very anxious to go out. "A Night of Dancin'", the only dance after the rain had ceased, brought in a good some of money. The Yearbook, who sponsored the dance, gave all the profits to the yearbook.

JOG-A-THON

The Jog-a-Thon first became a reality in 1981. The object to having a jog-a-thon was to get the students directly involved in raising money for the school. This event has been very successful in raising much needed money for the school. The first jog-a-thon raised close to $10,000. This money was used to purchase a much needed van and some audio-visual material. The jog-a-thon held in 1982 was not as successful as the first, but $4,000 was raised. With this the science department received new microscopes and the music department got new Band equipment. This year the goal for the jog-a-thon is $12,000. The school hopes to update library material, replace ancient typewriters, and make repairs on a second van (generously donated by Br. Anthony Lenz, a former teacher at CHS). Students and teachers were seen walking and running this year's event. The outcome for this year's jog-a-thon looks very promising.

The Seed

It began it's journey
with the passing of winter
it slowly climbs
through the mounds of earth
grasping for breath, now and then,
as it strives upwards
never turning, never yielding
until one day it shines
like an emerald
with the glistening of dew
upon its wings
as they unfold yearningly
toward the heavens
for the warmth of its master
and sighs out in relief
ahh! spring is finally here

A mind of confusion
Dread thoughts of delusion
A life of illusion
Unceasing profusion.

He best had not stay
Who can't see the way
He lives yesterday
His mind is at play.

His soul at night cries
Of ill-spoken lies
His unseeing eyes
Seek never-known ties.

Leaves rarely a stain
But I can't face the pain.
Oh, I can't face the pain.

The Sea

The sea, at dawn,
is like a white swan
in the middle of a lake
ever so gentle and peaceful
like the dew of the morning
that is full of coldness
yet soft as the fur of a
rabbit's tail.

The Sea, at non,
is like a demon-dog
that comes pounding on the surf
over and over again,
like a miserable miser it greedily
steals back what it once gave
freely to the shore.

As the waning sun
inch by inch
dwindles down under,
the sea recedea lazily
slowly, slowly, and slowly
until all is calm once again.

Jose, It's partly because of you and the special qualities you've got that I've tried to be a better person myself. Your sincerity, your good natured attitude, your optimism and your strengths . . . all those things that have given me a certain outlook and a special way of approaching life. Having you in my days . . . knowing you as I do has helped me over the rough spots and through difficult times . . . I feel like I owe you a lot but can repay you with so little. But as little as I have to give, it would mean so much for me just for you to know that you've added to my days and given me a special glow.

What a crazy group of people! It's a wonder I'm not as wacky as all of them. Just kidding, you know I love you all (no matter how strange you are). This is probably the only place we can all be seen together. Hmmm, why do you suppose that is? Oh well, I'm sure that one day we'll all be able to stand each other, won't we?

Mom and Dad, I love you both very much, I'm just not very good at saying it. I appreciate everything you've done for me. I know we've been through some hard times, but who knows, there may be some even worse ones ahead. Isn't it just like me to look on the bright side. Keep calm, everything will work out in the morning, hasn't it always? Steve, Joan, Phil, and Kathy, remember that you'll always be a part of our family, even though you may think you're not. We love all of you and your children, don't ever think anything different. We can only wish the best of luck for you in your lives.

Now for the younger folk. How's it going kiddoes? George and Diana, remember you've taken on new responsibilities. Make your decisions accordingly. Good luck to you and Baby Diana and any other younguns you decide to have. Anthony and Christy, I hope everything works out for you, if anything was really meant to be. I'd be honored to have you join our family, Christy, if you and Anthony feel right about each other. I'm sure you two will be very happy, you're pretty bright kids. Adrian, well what can I say, what do you think I should say? Remember you're not a kid anymore. Good luck in whatever it is you decide to do, "Cheech."

Remember, I love you all. I hope I don't make you too crazy.

Love, Eric.

Raul,
Everyone has a great story to tell. This is one about our son, it's not so much the joy he gave us as a child, but the love that went with it.
Fathers, do not provoke your children to anger, that they may not be discouraged. Cathedral 1983.

Love, Your Parents.

Felicidades Roberto,
Estamos muy orgullosos de ti que Dios te Vendiga y te quie por buen camino.

Victor
very cool
and special buzz-
brain of a friend. Well,
the year 1982-83 is over,
and we are now sophmores, I
mean we are kicking ass soph-
mores, (tough!) oh well, since I probably
won't see you next year at cathedral, I
want you to know that I'm gonna miss the
fun times we had Freshmen year. Like tennis
and fighting with everyone on the team. And setting
lockers and staring at all the stupid dicks that
we hate, maria (sad), Gadoya (rag), Hecter (puto) and of course
the chinks, and I think I will miss Jeffrey. (hm, ah!) But the
thing that I will miss from Freshman year
is eating at the bleechers, and laughing at everyone
who would look. Well what more can I say
that your a great friend that I will miss
talking to and laughing with at school, Have a great
summer with the E.T. ~~Dolls~~ Valley Girls, and of
course with Ben & Hedges, your friend
~~Penis~~ get bored, call if you Mustang
